SUMMARY

Aspiring **MERN Stack Developer** and UI/UX Designer with a strong foundation in building functional, user-centered web applications. While I am in the early stages of my professional journey, I bring a solid understanding of **Data Structures and Algorithms (DSA)** to write efficient code. I specialize in bridging the gap between beautiful design and technical execution, constantly learning new technologies to ship real-world products.

EXPERIENCE

Claw Steps

2025 – 2026

Website Developer & UI/UX Designer

New Delhi, India

- Designed and developed the Claw Steps website with a **user-friendly, mobile-responsive layout** focused on smooth booking and brand consistency.
- Implemented **SEO optimization** strategies to improve search visibility and user reach.
- Created the brand's visual identity using **React.js** to ensure a modern and cohesive digital presence.

DEEPALI DESIGN PVT. LTD.

2023 – 2024

Archiving Specialist / Software Support

New Delhi, India

- Collaborated with developers to **test, debug, and optimize** software performance, ensuring smooth functionality across multiple platforms.
- Managed and uploaded diverse media assets including photos, videos, PSDs, Corel, CAD, and 3D files while maintaining project workflow efficiency.
- Verified data accuracy and maintained large-scale digital archives for complex design projects.

PROJECTS

Claw Steps Web Platform

- Developed a full-scale booking and branding website using **React.js**, focusing on high performance and mobile responsiveness.
- Applied UI/UX principles to solve real-world design challenges, resulting in a seamless user journey from landing to booking.

Design Portfolio

- Showcased a selection of visual content and web projects created using Adobe Photoshop, Premiere Pro, and core web technologies.

EDUCATION

GITAM

Completed 2025

BCA (Bachelor of Computer Applications)

Visakhapatnam, India

- Gained a strong base in computer science, software development, and programming logic.

GBSSS MG-DELHI

Completed

12th Grade

- Completed 12th grade with focus and dedication, building a strong base for further technical studies.
